EXCEEDING EXPECTATIONS FOR NEARLY 20 YEARS

FOR YOU

More money, fewer problems

Partnering with Global Group means lower administrative costs so you look like a star with your CFO. It also means spending less time with paperwork, and more time on projects that matter.

Technology you can count on

With our Electronic Data Interface services, we:

- ✓ Build, test, run and maintain your feeds
- ✓ Monitor feeds and address discrepancies
- ✓ Import data in your preferred format

Plus, our entire platform is highly configurable and easy to update—no costly “change controls” here! We can shift and adapt to best suit your benefits goals and workforce priorities.

Regulatory peace of mind

Avoid headaches—and penalties—with our ACA Compliance Suite. We manage employee wage/hour eligibility, process mandatory employee notices and offer support in completing IRS forms.

Passionate experts

With centuries of combined experience, you won't find a team more knowledgeable or more committed. Leverage our experts to collaborate with you on building a system aligned with your benefits strategy and fine-tuned to your specific needs.

FOR EMPLOYEES

Customized engagement and education

Consumer research shows that people are more likely to retain information that's presented visually. Use Global Group Video Solutions to:

- ✓ Deliver dozens of standard clips—on topics like health savings accounts and coinsurance
- ✓ Create custom videos just for you
- ✓ Show employees how to complete common tasks—like adding a dependent

Personal decision support

Shopping for benefits doesn't have to be a confusing chore for employees. With Ask Emma, our interactive decision support tool, it's anything but! Emma is a friendly guide who helps your people make more educated and personalized benefits choices. She uses national and personal data to suggest benefit plan options and help employees find the right match. (Plus, she explains health care jargon along the way!)

First-class customer service

We hire the best people who exemplify our values of Higher Standards, Greater Accountability and More Fun. Our customer service team is thoroughly trained in key benefits areas like insurance, HIPAA compliance and more. They're ready and able to address any question with knowledge and professionalism.
